

Congratulations!!!

You have been chosen to participate in one of the District 14 Honor Bands!

Being selected for the 14th District Honor Band is a tremendous honor! Cherokee Bluff was well represented by these outstanding students. I am very proud of all the students that auditioned for how much they have improved over the past few months; they worked extremely hard to prepare for the audition. Students who participate in the Honor Band are awarded a white GMEA medal for this honor, which they will receive at the Spring Concert when awards are given.

Below is the basic information for the event. Please pay careful attention to the following information. If any student will be unable to attend, I need to know ASAP so the District can contact any alternates needed. Email me at geoffrey.lonberger@hallco.org with any questions.
