

Beginning Music Theory Information Sheet

Student Name

In which ensembles, including extra-curricular ensembles, are you currently involved?

What is your principal instrument? (Singers put "voice.") What other instruments do you play, and on what level (beginning, intermediate, advanced)?

Describe your prior music theory training, including any private lesson training you may have received or are currently receiving, as well as when you took lessons. (If you have had private lessons that have not devoted any time to music theory, please list, "Private lessons – no theory.")

Do you know what you might be majoring in college? If so, list the possibilities.

What genres of music do you listen to in your spare time? (Ex. rock, hip hop, etc.)

List four or more bands or solo artist that you listen to. What kind of music or which artists do you NOT like? Why not?

Name your favorite classical pieces and the composer of each piece.

Why did you sign up for Beginning Music Theory?

List at least three (more if you like) specific goals you would like to attain in this class. Include any specific pieces you would like to study as well.
