CBBA GENERAL MEETING MINUTES

CHEROKEE BLUFF BAND

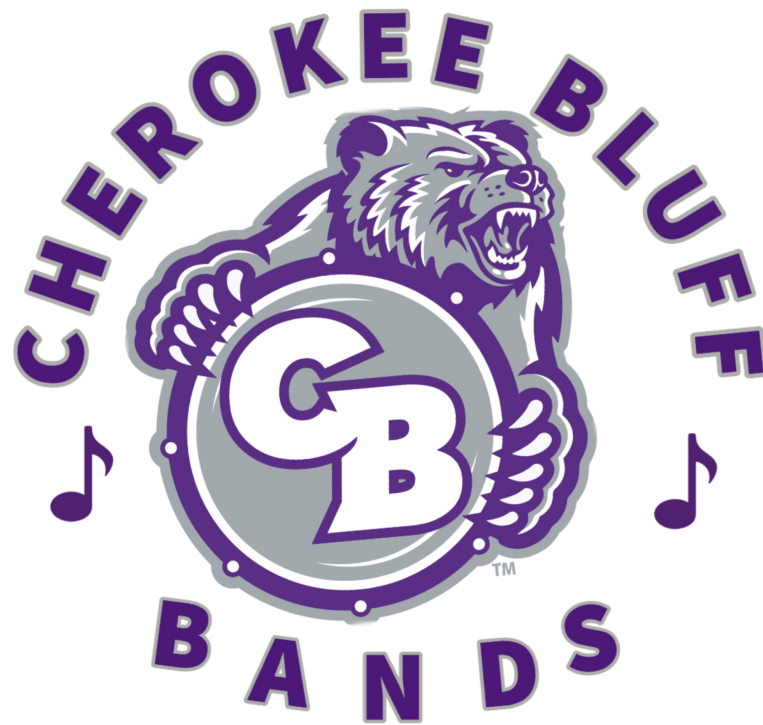

The Cherokee Bluff Band program utilizes an online database called CUT TIME. To access CUT TIME, please click the image above. After arriving on the CUT TIME website, choose "Student/Parent Sign Up" at the top of the page under the main menu section. For Subscribing Groups, type in "Cherokee Bluff Band" (which will probably appear as a choice) and fill out the rest of the form. We will get a notification and you will receive an email with additional information. Please see the band directors for more information.

CUT TIME is an online database that CBBA uses to manage and maintain the student accounts, inventory, sign up volunteers and contact information. Student account statements can be viewed at any time by all band families through CUT TIME.

EVERY PARENT AND STUDENT INVOLVED IN THE CHEROKEE BLUFF BAND PROGRAM MUST SIGN UP.

Please see a director if you have additional questions.

Student Health & Safety:

Our students' health and safety is our number one priority throughout all camp rehearsals. It is going to be VERY HOT...and we must take precautions to deal with the Georgia Summer Heat.

To that end, we only go outdoors in the early mornings (8:00am-11:00am) and evening (6:30pm-8:00pm).

We will give frequent hydration breaks (written into the schedule for every 30-45 minutes), and rehearsal will rotate from outdoors to indoors throughout the day.

We will follow the Hall Co. Schools guidelines on practicing in extreme heat found here: <https://www.hallco.org/web/practicing-in-extreme-heat-guidelines/>.

Parent volunteers will be present as an extra set of eyes to ensure that all students are watched and cared.

If a student has specific medical needs, please notify Mr. Cantrell ASAP (craig.cantrell@hallco.org).
