Recurring Field Trip Permission Form

Dear Parent or Guardian:

Because of your child's involvement with band, he or she will be taking part in a series of field trips during the course of the year. An agenda of scheduled trips is contained on the band's calendar and website.

All special activity trip regulations, school rules, and those outlined in the Hall County Schools student handbook will be enforced at all times.

Please be advised that the school will take every precaution to provide for the safety of your child on each trip. You are requested to grant permission for your child to attend and participate. You are also requested to relieve Hall County Schools, the board of education, the administrators, the band directors, and chaperones of liability for any accident that may occur on these trips.
