

## Costs/Registration:

The Cherokee Bluff Winter Guard receives a small amount of money from the band booster association, but this amount is not nearly enough to cover the multiple expenses faced by fielding a winter guard program. Student costs will be held to the lowest level possible to effectively run the winter program. Student fees are used to cover these items:

<ul style="list-style-type: none"><li>• Staff Instruction</li><li>• Competition Registration</li><li>• Equipment Purchase (Rifles, Sabers)</li><li>• Flags/Flag Design</li><li>• Props and Mat Design</li></ul>	<ul style="list-style-type: none"><li>• Uniforms</li><li>• Hotel for SAPA Championships (Chattanooga)</li><li>• Food for SAPA Championships</li><li>• Travel Expenses for equipment transportation (Fuel, Parking, etc.)</li></ul>

Each student joining the winter guard program will need to complete the registration process at the designated registration time. **A parent will need to be present at registration.** At this time students and parents will need to complete a packet of paperwork which will include parent contact information, medical information, Hall County Permission forms and a member contract.

Also at this time each student will need to commit to the designated fee schedule. **Please have your first payment ready at time of registration.**
